Privately Owned Vehicles Transportation Release for Interscholastic Activities

I hereby request that my child, _____, be allowed to participate in interscholastic activities within the Brighten Academy extracurricular program, and I recognize that participation by my child is voluntary. I understand that bus transportation to competitions, practices, performances, and related events may not be available. In the event transportation is not available, I understand that transportation is the parents’/guardians’ responsibility. For this reason, I anticipate that my child will need to travel in privately owned vehicles other than my own to competitions, practices, and related events. I hereby grant permission for my child to travel in non-school system owned and non-school system operated private vehicles for school system events. I agree to hold Brighten Academy, included its elected officials, employees, officers and agents (hereafter collectively referred to as “Brighten Academy”), harmless against any and all claims arising from my child’s riding in a privately owned vehicle. This hold harmless provision includes the obligation to indemnify Brighten Academy for said claims. I understand that travel may be in and out of county.

BRIGHTEN ACADEMY IS NOT RESPONSIBLE FOR ENSURING PRIVATE COMPLIANCE WITH THIS POLICY. ULTIMATELY, TRAVEL BY STUDENTS TO AND FROM BRIGHTEN ACADEMY APPROVED EVENTS IS THE RESPONSIBILITY OF THE PARENT(S)/LEGAL GUARDIAN(S). RISKS ASSOCIATED WITH TRAVEL IN PRIVATELY OWNED VEHICLES ARE NOT ASSUMED BY BRIGHTEN ACADEMY.
