

BRIGHTEN

VOLLEYBALL

Welcome to Brighten's Volleyball Program! My name is Amber Matthews and I am returning as Volleyball Head Coach for the 2023 Volleyball Season. I am a Paraprofessional with the Middle School here at Brighten Academy and Community Liaison for Douglas County with Service to Humanity, Inc. The Brighten Volleyball Program's mission is to develop our players into the best players they can be, through their work ethic in the classroom and on the court.

The goal is to prepare them for high school through strength and conditioning, while also incorporating character development throughout. Our ultimate goal is to make previous players better than they were the year before and to push new players to their highest potential.

In order to attend volleyball camp and tryout students must fill out a Medical Release Form.

**Players will need the following forms once on the team:
(All forms can be found on Brighten's Website)**

- Brighten Academy Athlete Contract
- Brighten Academy Parent Code of Conduct
- Douglas County School System Emergency Medical Release Form
 - Douglas County School System Student Drug Test Form
 - GHSA Student/Parent Cardiac Arrest Awareness Form
 - GHSA Student/Parent Concussion Awareness Form
 - Physical Examination Form (If not already on file)
 - Transportation Waiver

"As One We Stand; Together We Rise"
